Hotel S'Olias Cannigione

Hotel 3 Stars - Cannigione di Arzachena - Arzachena (OT)

Situated in a beautiful panoramic spot the Hotel S'Olias looks onto the bay of Cannigione, part of the Town of Arzachena, in the famous Costa Smeralda area.

The Hotel S'Olias is on a slight hill perfectly integrated in amongst cultivated countryside, immersed in the scents of mirto and rosemary, caressed by a delicate sea breeze which is softened by the protection of the surrounding olive groves.

The hotel building is designed in harmonious lines typical of the local architecture found in the historical constructions called "stazzi" present especially in the Gallura area. These are characterized by the use of large stones and light colours. The hotel has a large park-garden with a panoramic swimming pool bordered by Mediterranean vegetation.

A wide tree-lined pathway leads towards the large private car park.
